### PROFILE

Deiziane is a Full Stack Developer. Her main knowledge of technology is Javascript and Python but also worked with Java, HTML, CSS, Angular and React. She has great interest in focusing on Frontend Development.

### THOUGHTWORKS EXPERIENCE

#### ThoughtWorks University - Pune, India (Feb 2020 - Mar 2020)

As a graduate developer, Deiziane participated during four weeks of intense agile training in India, working with a team under the guidance of experienced ThoughtWorks developers and Business Analysts. During this time, Deiziane worked with a diverse team with people from many different countries, acquired knowledge and practiced several agile methodologies and techniques. Among others, she learned agility concepts, consultant skills and best development practices like Pairing, TDD, Refactoring, Continuous Integration and Continuous Delivery (CI & CD).

### OTHER EXPERIENCE

#### SYDLE – Idle Systems LTDA - Trainee Program (Jul 2019 - Aug 2019)
